About us

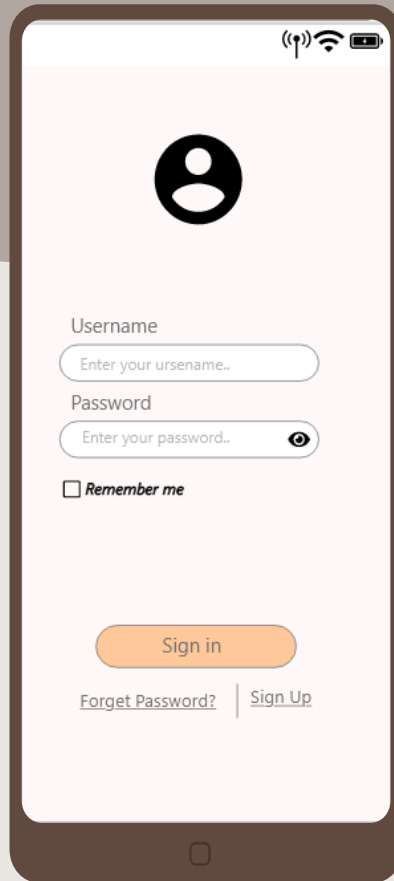

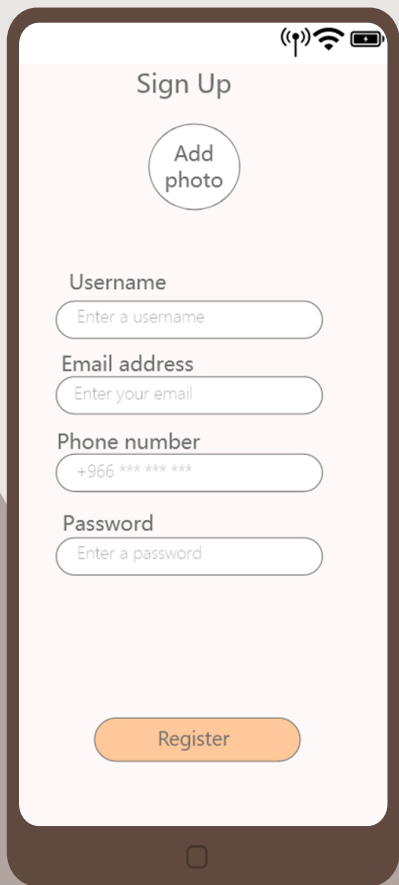

Application Interface (Mockup)

Sign in page

A page that allows the user to get in the application to use its features and characteristics by entering the username and password.

A smartphone mockup displaying a sign-up page. The page has a light pink background. At the top, there's a status bar with signal, Wi-Fi, and battery icons. Below it, the title "Sign Up" is centered. A circular button with the text "Add photo" is positioned below the title. The form consists of four input fields, each with a label above it: "Username" (placeholder: "Enter a username"), "Email address" (placeholder: "Enter your email"), "Phone number" (placeholder: "+966 *** **"), and "Password" (placeholder: "Enter a password"). At the bottom of the form is an orange "Register" button.

Register

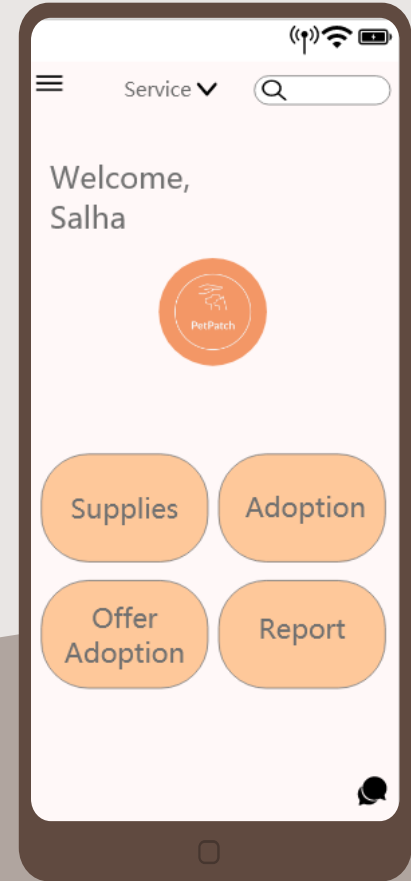

Sign up page

A page that allows the user to register and have a profile in the application after filling in the personal information of the user.

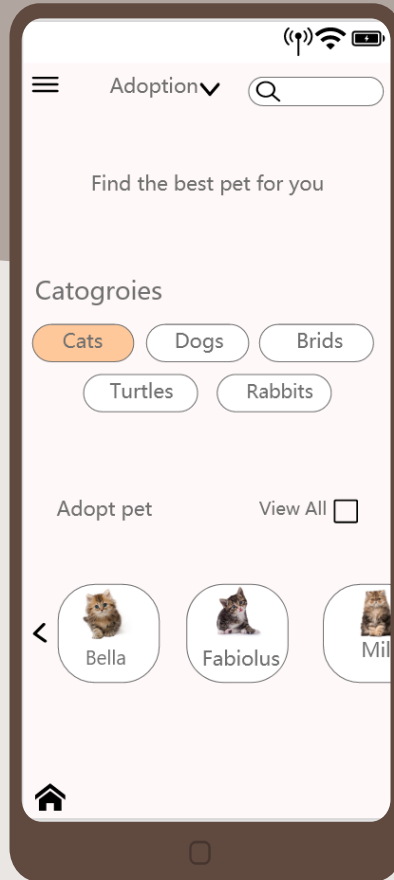

Home page

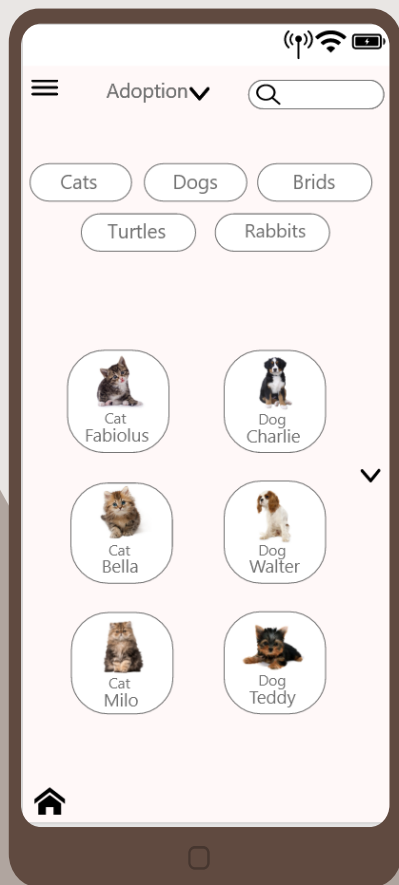

The home page that displays the main services of the application and enable the user to choose the desired service.

Adoption page

When the user selects the adoption service, this page appears which contains all sections of pets available for adoption with the option to view all for a broader view of all pets.

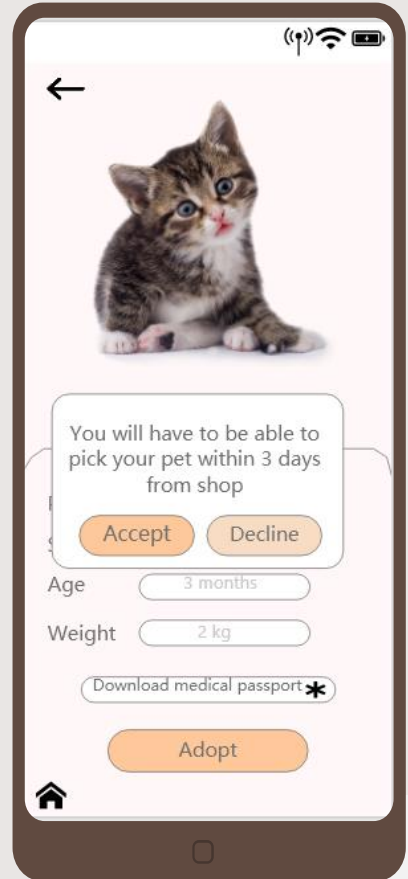

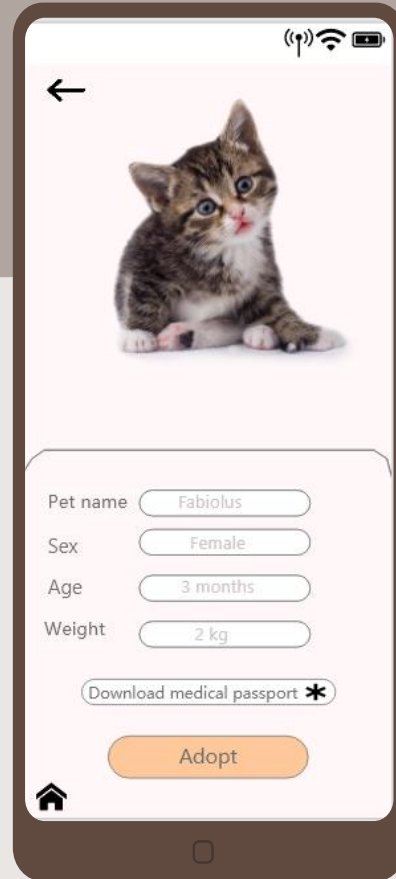

View All Page

A page that shows all the pets offered for adoption from different categories when the user chooses the option to view all.

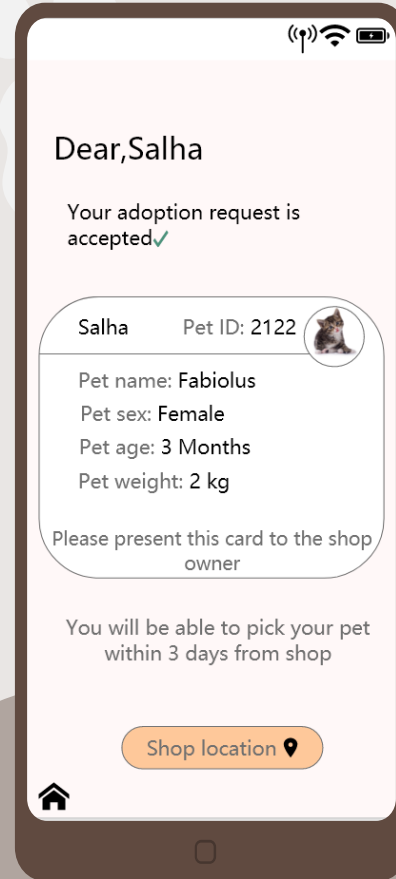

Pet Information Page

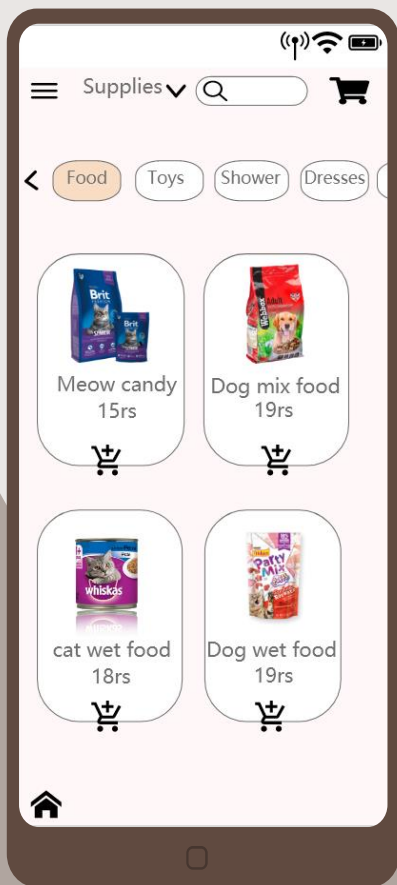

This page appears when a specific pet is selected, and all its information is shown with the adoption option.

Confirm Adoption Page

A page in which the user's adoption request is confirmed with an explanation of the pet's information and how to receive it from the shop.

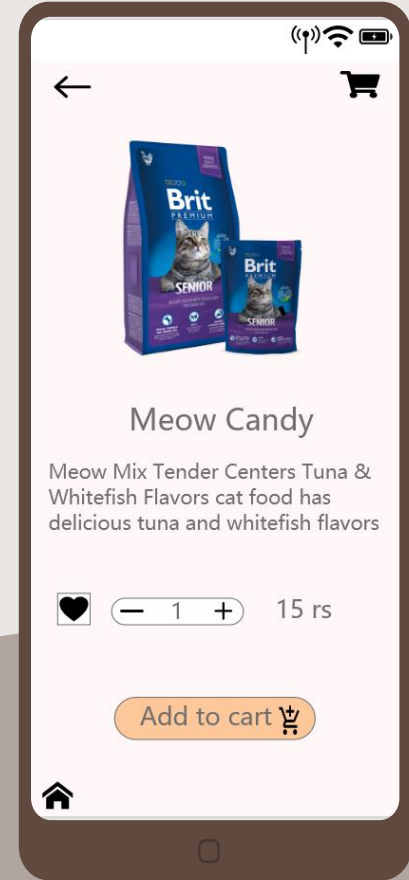

Supplies Page

This page contains sections of pet supplies and displays them while allowing the user to add them to the cart.

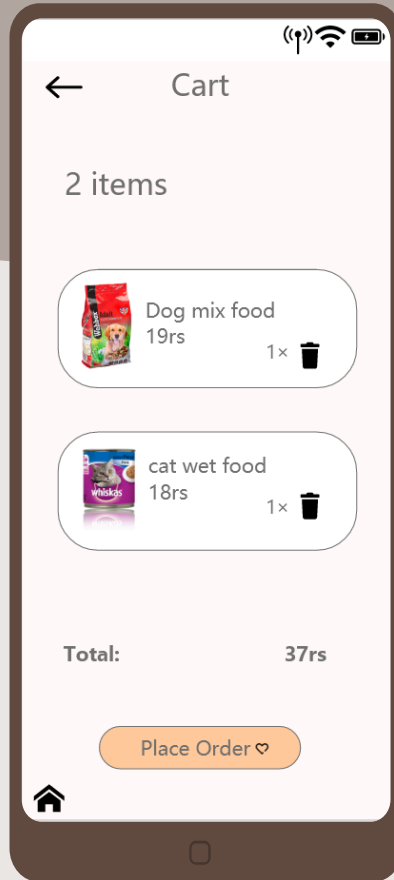

Supply Page

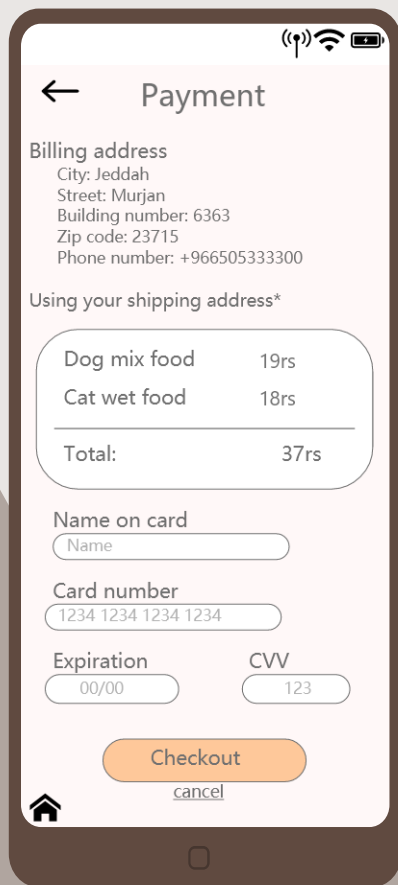

This page appears when choosing a pet supply and contains information such as a brief description with price, number, etc., and the option to purchase the item.

Cart Page

When the user clicks on the shopping cart icon, a page appears showing all the contents of the cart with the total price and the option to complete the payment.

A mobile app interface for a payment page. At the top, there's a back arrow and the title "Payment". Below this, the "Billing address" is displayed with details: City: Jeddah, Street: Murjan, Building number: 6363, Zip code: 23715, and Phone number: +966505333300. A note says "Using your shipping address*". A table lists items: "Dog mix food" for 19rs and "Cat wet food" for 18rs, with a "Total" of 37rs. Below the table are input fields for "Name on card" (placeholder: Name), "Card number" (placeholder: 1234 1234 1234 1234), "Expiration" (placeholder: 00/00), and "CVV" (placeholder: 123). At the bottom, there are two buttons: "Checkout" (orange) and "cancel" (text). A home icon is at the very bottom left.

Thank You Page

This page displays a simple thank you message for the user's initiative to help stray pets.

Offer Adoption Page

This page asks the user to fill in the data of the pet to be offered for adoption and send this information.

The image shows a mobile app interface for offering adoption. At the top, there's a status bar with signal, Wi-Fi, and battery icons. Below it, a header bar contains a hamburger menu icon, the text "Offer adoption" with a dropdown arrow, and a search icon. The main form area includes a circular button labeled "Upload a photo". Below this are three text input fields: "Pet name:" with placeholder "enter your pet name", "Age:" with placeholder "eg. 2", and "Type:" with placeholder "eg. dog". There's also a button labeled "Upload medical passport" with a star icon. A section titled "Contact information" follows, containing two text input fields: "Phone number" with placeholder "+966 *** ** *" and "Email" with placeholder "example@example.com". At the bottom of the form is a large orange "Submit" button. A home icon is visible in the bottom left corner of the app screen.
